PROJ: CHARCOALER SUBDIVISION – CASE NO. SUSU17-00030
RE: REQUEST FOR BIKE LANE & PARKWAY EXEMPTION

Dear Mr. Garcia,

On behalf of the Owner, and according to Title 19.10.050 of the Municipal Code, we are submitting this exemption request for a waiver on the following items:

1. New 5-ft wide landscaped parkway.
2. New paved 10-ft hike/bike lane.

As you know, TxDOT is not in agreement with these improvements. The installation of these items will reduce the paved width of the street.

We believe that granting the exception will not be detrimental to the public health, safety or welfare, or injurious to other property within the area.

Sincerely,
SiteWork Engineering, LLC

- 2. As per Municipal Code: new developments and redevelopments are required to maintain the pre-development hydrologic response in their post-development state as nearly as practicable in order to reduce flooding. Please note that this subdivision is zoned "C-1" meeting the requirements for Non-residential uses as well as for Multi-family dwellings use restricted to a maximum of 29 dwelling units per acre however, applicant has submitted copy of preliminary covenants restricting the use to Non-residential (general commercial) uses therefore, "Park fees" will be assessed as follows:

Please allocate generated funds under Park Zone: **NW-2**

Nearest Park: **Crestmont Park**

If density/acreage is increased /decreased or the property zoning /use changes, then "Park fees" will be re-assessed based on applicable conditions.
